

How to find out the winning numbers of the lottery drawing

The drawing results can be found at lottery sales shops around the country.

The winning lottery numbers can be found as shown below.

■ Internet (PC, smartphone, etc.)

宝くじ公式サイト **検索** <https://www.takarakuji-official.jp/>

■ Newspaper the day after the drawing

However, these announcements are in Japanese, so it is easier to ask at the lottery sales shops. If you show your lottery ticket you purchased to the sales teller, they will check the results for you (this only applies during the payment period for the winnings).

The drawn numbers for the number selection type lottery are displayed on the front of the lottery sales shops (in Japanese), so you can also look up the drawn numbers in this way.
